For Immediate Release

Pride flags to fly at Nunatsiavut Government buildings

Pride flags will fly at Nunatsiavut Government buildings from June 23-30 in recognition of Pride Month.

During the month of June, people all over the world express solidarity with the 2SLGBTQ+ (two-spirit, lesbian, gay, bisexual, transgender, queer or questioning) community, to celebrate contributions of persons from the community, and increase efforts to build awareness.

In future years, the flag will fly at Nunatsiavut Government buildings for the entire month of June.
