Beneficiaries can exchange COVID-19 Food Supplement Program gift cards for certificates at Terrington Co-op

Beneficiaries of the Labrador Inuit Land Claims Agreement residing in the Constituency of Upper Lake Melville are being advised that the Terrington Co-op will provide certificates in exchange for gift cards under the Nunatsiavut Government's COVID-19 Food Supplement Program.

The gift cards are issued under the Sobeys brand. Empire Company Ltd., which owns and operates Sobeys, has been dealing with information technology issues that have impacted some of its operations and services, including the activation of gift cards.

While the company is working to reduce the impact on customers, at this time it is unable to determine when all issues affecting its systems will be fully resolved. In the meantime, Beneficiaries who present gift cards at the Terrington Co-op will be issued a certificate of equal value that can be used immediately.
