

Heat Pump Intake Application - Residential Heat Pump Program

The 2023 Residential Heat Pump Program is now accepting applications for residential heat pump installations. This program is available to beneficiaries in the Labrador Inuit Settlement Area who meet the requirements of the program and reside in the Inuit Communities of Nain, Hopedale, Postville, Makkovik, and Rigolet. The **primary heat source** in the dwellings of eligible applicants must be **electric heating**. (Please refer to Program Guidelines for more details on heating eligibility).

Applicants with a **gross income** of less than \$100,000 will have **all costs** associated with the heat pump and installation covered.

Applicants with a **gross income** of \$100,000 or greater will be responsible for **25%** of the cost of the heat pump and installation, with **75%** of the associated costs covered by the program.

Applications for this program will be accepted until May 31, 2023.
