Request for Proposals

Review of Elected Officials Constituency Allowance

Issue Date: **March 6th, 2024**

Closing date and time:

4:00 p.m. Atlantic Time Friday March 27th, 2024

Project Overview, Objectives and Scope

The Nunatsiavut Government (“NG”) was established in 2005 following the finalization of the Labrador Inuit Land Claims Agreement (“LILCA”). The LILCA includes self-government provisions rendering the NG a regional Inuit government within the province of Newfoundland and Labrador. The NG has authority over many areas of governance including health, education, housing, culture and language, justice and community matters.

The Nunatsiavut Assembly is seeking proposals from qualified consultants to conduct a comprehensive Constituency Allowance study and analysis for its Members. The objective is to ensure that the Members of the Nunatsiavut Assembly have clear guidelines on the use of Constituency Allowances. This study would include an analysis and comparison of the Constituency Allowances currently available to Members of the Nunatsiavut Assembly with Constituency Allowances of at least two (2) other Indigenous self-governments in Canada and with the Members of the House of Assembly of Newfoundland and Labrador.

The successful proponent will be expected to perform the following:

- 1) Review the policy and legislation concerning existing Constituency Allowances in Nunatsiavut and outline differences compared to Members of the House of Assembly of Newfoundland and Labrador and at least two other Indigenous self-governments in Canada;
- 2) If considered advisable, provide recommendations for changes to the current Constituency Allowance policy for Members of the Nunatsiavut Assembly with rationales for such changes.

The consultant will be responsible for the submission of progress reports to the Clerk of the Nunatsiavut Assembly within a timeframe to be mutually agreed upon. A draft of the final report must be presented to the Clerk of the Nunatsiavut Assembly who will send it to the Member Services Committee for review and comment.

The project should be completed by May 20th, 2024. Proponents must submit a project plan and schedule as part of their proposal.

Under this contract, the consultant will have access to the Assembly staff, Member Services Committee members; the Assembly and finance staff; and financial documents.
