

Energy Savings for Your Business are NEER!

Apply to the Nunatsiavut Energy Efficiency Retrofit (NEER) Program

2025 Commercial Application

The Nunatsiavut Government (NG) is now accepting applications for the 2025 Nunatsiavut Energy Efficiency Retrofit (NEER) Program. This program aims to reduce greenhouse gas emissions and improve energy efficiency and indoor air quality across the five Nunatsiavut communities on a community-wide scale.

NG is inviting applications from *registered Inuit-owned businesses* interested in improving the energy efficiency of their commercial buildings. Approved applications will receive a **free energy assessment** by a Certified Energy Auditor (CEA). These assessments follow ASHRAE Guidelines and involve a trained professional evaluating your building's systems to identify inefficiencies and recommend improvements. After your assessment, our team will work with you to determine the energy efficiency upgrades best suited to your business. Eligible businesses may qualify for **up to \$50,000** in energy efficiency upgrades. **Please note:** If you own multiple businesses or buildings, only one building per owner or organization is eligible for upgrades each year under the program. This is to ensure fair access and equitable distribution of program resources.

To qualify for the NEER Commercial Program:

- The business must be registered with the Nunatsiavut Government.
- The applicant must be a Beneficiary of the Labrador Inuit Settlement Area.
- The facility must be a stand-alone building.
- The building must be operational for more than 6 months per year.
- The business must be located in one of the following Inuit communities:
Nain, Hopedale, Postville, Makkovik, or Rigolet.

Only the business owner can complete this application. if you do not own the business, you are not eligible to participate in this program at this time.

Applications for this program will be accepted from **July 17th to August 11th, 2025.**

All required application documents can be submitted to your Local Community Liaison Officer or sent to NGretrofit@nunatsiavut.com
